

Hospital Vote Short Of Two-Thirds Majority; To Try Again In August

With a disappointing turn-out of only 493 ratepayers, the Didsbury Municipal Hospital District \$98,000 money by-law was defeated by a narrow margin in a poll taken Monday, July 21. The last poll to report, Fallen Timber, voted solidly in favor of the by-law (15-0) but it was not enough to give the required two-thirds majority.

The final unofficial total was 302 in favor, 182 against and nine ballots were spoiled or rejected. This was approximately 28 short of the two-thirds required.

At a meeting of the hospital board on Saturday night it was decided to hold another vote on the issue at the earliest possible time. It was felt not enough ratepayers had exercised their franchise on this very important matter and the decision to have another vote was made.

Bad weather, muddy roads and a large number of people away on vacation contributed greatly to the small vote.

More information on the question will appear in future issues of this paper.

FASTEST CROSS-COUNTRY NEW CAR PURCHASE

Ken and Doug Burns, from Didsbury, engineered the fastest cross-country new car purchase on record. After trading in their old car on a Wednesday afternoon in Didsbury, they caught a bus to Calgary where they obtained T.C.A. tickets for Toronto. The Thursday morning flight from Calgary arrived in Toronto at one o'clock.

A taxi from the Royal York to the bus terminal; a bus to Oshawa and the Burns brothers drove away from Oshawa in their new car within 21 hours from the time they stepped from their old car, 2,500 miles away.

They were delayed by a flat tire on the Calgary bus.

Zella W. I. Holds Regular July Meeting

Mrs. Mike Knights was hostess to 10 Zella W.I. members, four visitors from the Melvin Institute and three other visitors on Thursday, July 24. The scrup book has been purchased in which the history of the Zella W.I. is to be recorded and Mrs. Arthur Walldorf and Mrs. E. W. Walldorf were asked to take charge of it. It was decided to have "Zella" engraved on the cover.

Mrs. Ross Youngs entertained the ladies with a monologue, "Back Seat Driving," and a humorous reading, "How To Cook A Husband." Miss Ennie Dupont also favored the group with some delightful piano selections.

As the topic and a bit of fun from Zella were both absent, the remainder of the afternoon was spent in trying on the box of two dozen house-dresses procured from the disabled work shop in Moose Jaw. Some sales were made.

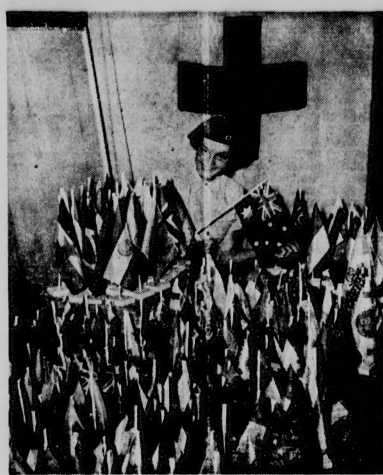

The next meeting will be held at the home of Mrs. Tony Spooner on Thursday, August 28.

The meeting adjourned with the singing of God Save The Queen and a dainty lunch was served.

FREIGHT RATE INCREASES THREAT TO AGRICULTURE

In a public statement made on July 18, H. H. Hannam, president of the Canadian Federation of Agriculture, said that the demands of the railway companies for still further increases in freight rates will, if granted, constitute "another swir" in the vicious spiral that could well threaten the nation with another economic recession.

Mr. Hannam said that since March, 1948, there have been six separate general increases in freight rates totalling 70 per cent. Further increases will deal farm industry a blow that is both severe and unfair, for during the past two years the purchasing power of farm products has been declining.

Flags that have never appeared before officially in Canada are included in this display to be used during the XVIII International Red Cross Conference in Toronto July 29 to August 9. Red, representing 27 nations and principalities and the United Nations, the flags will be used with name plates on desks to quickly and easily identify each delegation during conference sessions. The flags are the handwork of Colonel and Mrs. George Yankovsky of Toronto. Each flag is made of silk and printed with a special silk screen process. Carol Aeneas, a Red Cross Corps girl, is holding the Australian flag.

VANDALS BREAK WINDOWS IN MEMORIAL ARENA

During the past few weeks some 40 panes of glass have been broken at the Memorial Arena, either by stones or air rifles. This matter is under investigation by police and anyone having any information concerning this matter is asked to contact Const. W. B. Dobbin. Any one found guilty of this willful damage to public property will be severely dealt with.

Fish and Game Picnic Suffers Setback

Being weather and had made held down attendance at the seventh annual Fish and Game Association picnic at Raven Hatchery Sunday and most featured events had to be cancelled. A new road into the picnic grounds was found to be impassable and it was only after a bulldozer was brought into use on the old road that cars were able to reach the grounds.

Despite the difficulties about 1,500 showed up for the affair and an improvised program took place. The usual fly casting contest for adults was replaced by a junior fly derby for boys under 16. Several open trout were put in an empty pond and the youngsters went after them. However only two were successful in landing a fish.

"Cinder" Wren, in charge of the hatcheries, had plenty to do explaining the workings of the hatchery to the many visitors. At present the six ponds contain a total of 29,000 rainbow, and 50,000 each of Eastern Brook and Loch Leven trout.

Cattle Prices Better Than 1951 Average

The Canadian farmer isn't getting as much now for his cattle as in the pre-foot and mouth disease days — but he's not getting much less either.

A review of prices since the Saskatchewan outbreak was continued Feb. 25 shows the livestock seller hasn't done badly. Prices now are a little better than the average for 1951, considered a fairly normal year in the livestock business.

With the lifting of provincial embargoes — Quebec lifts its embargo Friday — and announcement that Canada probably will be declared free of the disease next month, the livestock man faces a brighter future.

His question remaining, and one that will have more effect on prices than anything else, is when the United States will lift its embargo against Canadian cattle. Normally this could come within 60 days of Canada's declaration of freedom of the disease, but it is expected that action will be delayed until after the U.S. election in November.

Livestock men are assured of a government floor price — at present \$25 a hundredweight, basis good steers at Toronto. The government floor program was announced in April and will remain until lifting of the U.S. embargo.

A government spokesman said in Ottawa apart from some small difficulty in taking up the slack with the closing of the U.S. market, the government support program had worked well and the floor price has been maintained. Surpluses of cattle have been reduced.

Many Topics Feature Farm Women's Week

MRS. ED KLINCK HOSTESS TO WESTCOTT W.A.

Seventeen members and four visitors met at the home of Mrs. Ed Klinck in Didsbury for the July meeting of the Westcott W.A.

Mrs. Klinck held the devotional with Miss V. E. Ekstrand reading the Bible passage.

Citizenship topic was given by Mrs. D. Hasegood. She read a very interesting paper on McKenzie King, the former prime minister, who left most of his fortune to Canada and who also had some very interesting hobbies.

"We Be The Tie" was sung and the meeting closed with the Lord's Prayer.

To bring the afternoon to a close, the hostess served a very nice lunch.

WEST NOTES

Mr. and Mrs. F. Byrt Sr. and Mr. and Mrs. C. Byrt spent Sunday with Mr. and Mrs. F. Byrt Jr. at Madden. Mr. and Mrs. Stoll and family of Red Deer and Mr. and Mrs. E. S. Hogg and family, and Mr. N. G. Hogg, spent Sunday with Mr. and Mrs. A. L. Hogg. Mrs. Hogg Sr. went to Calgary with them Sunday evening, returning by train Monday.

Mr. and Mrs. Arnold McCullough visited at the home of Mrs. O. Krebs on Sunday.

Sunday, July 13, the Blain family held a reunion at St. George's Island, Calgary. With over 50 members of the family of Mr. W. Blain Sr. present, including her sons and daughters, grandchildren and great-grandchildren, among those present were Mr. and Mrs. R. Blain and son of Milne, B.C., the others being from the Calgary and Didsbury districts.

Mrs. J. Hasegood returned from Oids on Friday where she had been attending Farm Women's Week. She reports an enjoyable and instructive time, although there were not so many present as in the past. Mrs. A. Wahl also attended.

Mr. and Mrs. C. Reid visited with Mr. and Mrs. O. Blain on Monday. Hay is general throughout the district with the sun and fine weather and most report a good crop.

Mr. and Mrs. E. Lewis visited the late's parents, Mr. and Mrs. E. W. Lowrie on Saturday evening.

Mrs. Edmundson of Carstairs spent a few days with her mother, Mrs. S. Kowalski, last week.

Mr. and Mrs. W. Bishy called on Mr. and Mrs. A. L. Hogg Monday evening.

Mr. and Mrs. G. Batus were Banff visitors on Sunday.

Mrs. L. Papke has her young nephew of Red Deer visiting her.

THANKS

The Red Cross Society expresses its gratitude to all the contributors and contributors for the splendid work done during the recent campaign.

The work of money raises on J. H. ROBERTSON, President, W. A. AUSTIN, Secretary, C. E. REIBER, Treasurer.

GRAIN STORAGE PROBLEM MAY BE WORSE IN 1952

As crop conditions in the province continue to be good to excellent, elevator and railroad officials are attempting to stave off a storage and transportation problem that may well dwarf last year's difficult task.

Last year's poor harvest averted much of the expected railway and storage tie-up but the poor crop of 1951 has further aggravated the picture for this year.

Storage facilities in most country elevators are already filled with low grade grain and a bumper crop could not be handled.

A survey has shown that in Alberta 50 per cent of country elevators are full. While the railways have a large number of boxcars in service moving grain to the Lakehead, time will not allow them to clear many of these elevators.

Indications are that the problem this year might be as bad or worse than in 1951. Farmers have been urged to consider building storage space on their farms.

At the present time a little more than half the province's 100,000,000 bushel country elevator capacity is filled.

The magnitude of the storage problem can be seen when it is considered that last year's crop ran about 150,000,000 bushels, and this year's crop runs about 170,000,000 bushels.

Mr. J. E. Brownlee, Calgary lawyer and president of the United Grain Growers, spoke to 150 ladies at the banquet which concluded the Farm Women's Week at the Oids School of Agriculture. Mr. Brownlee outlined the progress of the province of Alberta from 1905 to 1952. Our laws, our agricultural advancement, our industrial advancement, our schools and education, our churches and religion, our hospitals, our schools of agriculture, and our institutions in general are equal to any in the world. "Our culture of public opinion has been responsible for the advancement of our institutions," the guest speaker continued.

"We have enjoyed prosperity for some time," Mr. Brownlee commented, "but we must not become too complacent. We face a critical time in our history. Our culture of public opinion has been responsible for the advancement of our institutions," the guest speaker continued.

"We have enjoyed prosperity for some time," Mr. Brownlee commented, "but we must not become too complacent. We face a critical time in our history. Our culture of public opinion has been responsible for the advancement of our institutions," the guest speaker continued.

"We have enjoyed prosperity for some time," Mr. Brownlee commented, "but we must not become too complacent. We face a critical time in our history. Our culture of public opinion has been responsible for the advancement of our institutions," the guest speaker continued.

Howard Hammell, Social Credit M.L.A., who will defend his seat in Tuesday's voting.

WESTCOTT NOTES

Everyone seems to be busy haying when it is at all possible. The crop is good and from all indications there should be plenty of feed for the winter. Most of the grain crops are now heading out in head and there are some beautiful stands in the country, that which missed the hail particularly is a pretty sight to see and is standing up well for its growth considering the amount of wet weather the district has experienced.

Mrs. Henry Wihusen, Mrs. R. MacFarlane and Mrs. Herb Goetjen were at Oids last week attending Farm Women's Week. They all report having had a wonderful time. Misses Deloyce and Marjorie Goetjen spent a couple of days last week as the guests of Miss Fay Ferguson of Eckville. They took in the Benatto Stampede while there.

Word has been received that Mr. Dan Folkman, who has been employed at Woodworth's, Calgary, has now been transferred to Trail, B.C., where he takes over as assistant manager in the store there. Best of luck and congratulations.

Mrs. Lorne Cousins and son Roy have been visiting with her father, Mr. Robert Artman, and sister, Mrs. Henry Wihusen and family, while Mr. Cousins is a patient in the local hospital.

Guests at the Herbert Goetjen home on Sunday were Mr. Ralph Buck of Delia and Mr. and Mrs. Peter Stakenas and family of Calgary. Mrs. Stakenas and children are staying to visit with friends for the week.

Mr. Hubert Papke accompanied his brother, Mr. Wilbert Papke and family to the U.S. leaving Monday morning.

Mr. and Mrs. Lyle Good spent a day in Calgary recently, where Mrs. Good has been undergoing regular medical check-ups on the advice of her doctor here and we are glad to report she is definitely making improvement after several months of illness.

The Wihusen children, Robert and Marion, are attending the Lutheran Vacation Bible School in Didsbury this week.

The T.B. testers are testing the cattle west of the creek this week.

Vote for the candidate of your choice in the provincial election on Tuesday, August 5th, but make sure you vote!

General Dwight D. Eisenhower, winner of the U.S. Republican nomination for presidency, is congratulated with a handshake by smiling Senator Robert A. Taft, of Ohio, the loser. They met at Republican headquarters in Chicago a short time after the convention had made its nomination.

Successful Calf Club Show Held Here

Following a very successful show staged by the Didsbury Dairy Calf Club here last Wednesday, prizes were awarded in the following divisions:

Senior calves — 1, Jimmy Clarke; 2, Deane Munro; 3, Joyce Hunter; 4, Carl Morris; 5, Ronny Morris. Junior calves, mixed breeds — 1, Holstein, Bobby Clarke; 2, Jersey, Ronny Morris; 3, Jersey, Bernice Clarke; 4, Holstein, Jack Collings; 5, Jersey, Norman Clarke. Crystal Dairy Cup — Bobby Clarke.

Peewees — 1, Ralph Clarke; 2, Gavin Hunter; 3, Mary Jane Clark; 1, Lester Clarke.

Union Milk Trophy and peewee showmanship — 1, Ralph Clarke; 2, Gavin Hunter.

Yearlings — 1, Jimmy Clarke; 2, Bobby Clarke; 3, Ronny Morris; 4, Joyce Hunter; 5, Carl Morris.

Two-year-olds — 1, Bobby Clarke; 2, Ronny Morris; 3, Jimmy Clarke; 4, Carl Morris.

Showmanship for members — 1, Bobby Clarke; 2, Jimmy Clarke; 3, Carl Morris.

Best filled calf — Jimmy Clarke. Showmanship — Bobby Clarke.

Judge Victor Rinkeland of Red Deer and Hugh McPhail gave the prizes and explained them.

FOOT AND MOUTH BAN MAY END IN AUGUST

Canada may be declared free of foot and mouth disease August 19, Agriculture Minister J. G. Gardiner announced last week.

Mr. Gardiner said that provided no new signs of the disease are discovered, Canada will be declared free of the disease and quarantine regulations on the quarantine and buffer zone areas surrounding Regina will be lifted August 19.

He said animals now may be brought onto individual quarantined premises for the purpose of re-stocking under permit. The animals would be kept under observation by federal government veterinarians until August 19.

Then, "in the absence of any indication of disease either among such animals or elsewhere in the controlled areas, all controls and restrictions, including the operation

CHRISTIAN SCIENCE

The proposition that divine Love is power and can be utilized by man for the solution of human problems will be expounded Sunday in Christian Science churches. The subject of the Lesson-Sermon is "Love" and it contains this passage from the prophet Zephaniah: "Thus speaketh the Lord of hosts, saying, Execute true judgment, and shew mercy and compassion every man with his brother." (7:9). And the following from "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If we would open their prison doors for the sick, we must first learn to bind up the broken-hearted." (p. 369).

of disinfection stations on highways leading from controlled areas, will be discontinued and Canada will be declared free of foot-and-mouth disease," Mr. Gardiner said.

Agricultural SERVICE BOARD NOTES

W.K. Snyder,
Field Supervisor

Leafy Spurge: This weed is located at various places throughout the municipality. Few people are familiar with it so this week's letter is about leafy spurge. It is a deep-rooted persistent perennial and reproduces itself both by horizontal root stocks and seeds. The roots are woody in nature and penetrate 8 to 15 feet. It has long, narrow, smooth leaves, and grows to a height of two feet.

The blooms borne in umbrella-like clusters are more like dense tufts of small leaves than ordinary flowers. At first the flowers are a distinct yellowish-green but become more yellow with maturity. The stems and leaves contain a thick, sticky milk-like sap.

Dense growth: Leafy spurge starts early in the spring and maintains a heavy growth throughout the year. The roots and root stocks are also very dense. The forked tap root usually is found in the first two feet of soil but the branched roots often extend to 15 feet. The creeping root-stocks usually are 4 to 8 inches below the surface.

Control methods: A soil sterilant such as sodium chlorate should be used to kill small patches. This material can be applied either wet or dry and should be used at the rate of 5 or 6 pounds per 100 sq. ft. Treatment should be extended at least 4 feet beyond the edges of the patch; if applied at the rate of 12 to 16 ounces acid per acre periodically at six-week intervals during the growing season over a period of two years, very good results can be expected. We have cases on record where this type of treatment has eliminated leafy spurge. Where the spraying of 2-4-D is undertaken in crop, 10 ounces acid per acre will be about the safe maximum limit.

CHECK THE VOTERS' LIST FOR YOUR NAME

If you are entitled to a vote in the provincial election August 5th check the voters' list at your polling place and make sure your name appears. If it does not appear on the list, see the enumerator of your polling sub-division on Friday, August 1st, between the hours of 10 a.m. and 4 p.m. If you do not know who your enumerator is you may get the information from Returning Officer George Earl McDonald at McElroy's Men's Wear, Didsbury.

If you expect to be away on August 5th you may arrange to vote at the advance poll at the Memorial Arena, Didsbury, on Thursday, Friday or Saturday, July 31, August 1, August 2 from two to five in the afternoon or seven to ten in the evening. A certificate entitling you to vote at the advance poll may be secured from your enumerator.

I was reared in the kind of a family in which no crisis was ever met without the quieting or stimulating effect of food.

A BETTER DEAL FOR YOU, the local ratepayer

- A Liberal government will pay —
 - 50% of the over-all cost of your children's education.
 - 50% of the cost of welfare services.
 - Double the present grants for your district roads.
- A Liberal government will provide —
 - Interest-free loans for schools and hospitals in your community.
- A Liberal government will restore and maintain local independence in Municipal affairs.

● This Will Cut Your Taxes

NATURAL RESOURCES — Coal, Oil, Natural Gas, Forests, Water Power

- A Liberal Government Will —
 - Provide adequate research facilities to develop additional uses for our coal.
 - Use Alberta's natural resources for the benefit of Albertans.
 - Give preference to Canadian citizens in leasing oil, gas and mineral rights from the government of Alberta.
 - Pay a royalty of 2 1/2% to the surface owner on all crown-owned leases.
 - Once performance on oil and gas leases and cancel on default.
 - Put a stop to the Social Credit policy which keeps the price of gasoline and tractor fuel high.
 - Act immediately to bring the benefits of cheap power and gas to all Alberta citizens.
 - Consider the export of gas only after it is satisfied that Albertans have been fully protected as to price, supply and economic advantage — and the people have approved this action by plebiscite.
 - Put a stop to the continued policy of neglect of our forests and streams, including fish and game, and substitute for it a policy of conservation, designed to perpetuate our resources.
- UNTIL THESE POLICIES ARE ENFORCED WILL ALL ALBERTANS SHARE IN THE WEALTH OF OUR NATURAL RESOURCES, WHICH IS OUR HERITAGE.

● This Will Bring Us All More Prosperity!

Highways

- A Liberal Government Will —
 - Bring to an end Social Credit policies which have wasted millions of dollars on highway construction.
 - Build safe — all season — all-weather roads.
 - Build highways that will stay built.

Agriculture

- A Liberal Government Will —
 - Restore to agriculture the prominence it deserves in the functions of government.
 - Provide legislation to help the farmers create and control their marketing agencies.
 - Restore full co-operation with the federal government to insure the full use of our water resources to expand our irrigable areas and develop industry.

Education

- A Liberal Government Will —
 - Alleviate the teaching of reading, writing and arithmetic.
 - Establish educational facilities to prepare our young men and women to fill the important positions in industry which will be created by our policy of development of our natural resources for the benefit of Albertans.

● This Will Give You More For Your Tax Dollar!

Rural Electrification

- A Liberal government will bring power to the farmer's door, at a price he can afford to pay — and do it quickly.

Hospitalization

- A Liberal Government Will —
 - Make it possible for Alberta communities to build hospitals when and where these are needed.
 - Provide hospitalization that will prevent illness or accidents from becoming a financial disaster to any Alberta citizen or family.

Housing

- A Liberal government will co-operate with the federal government under the National Housing Act to provide serviced lands at a reasonable cost for home building purposes.

Labor

- A Liberal Government Will —
 - Bring industries to Alberta, which will give you more and better jobs.
 - Invite representations from and keep the door open to responsible labor leaders at all times.
 - Appoint a minister with exclusive responsibility for labor.
 - Make Alberta the best place in Canada for the working man or woman.

● WE ARE PROUD OF OUR CANDIDATES!

The men and women who are running under the Liberal Banner in all parts of the province are the finest group of candidates ever offered to the voting public. They have gained respect and admiration in their communities. We are proud to have them supporting the Liberal program. Our party program is sound, practical and of benefit to every Albertan. Our candidates are men and women capable of carrying it out. Vote for the best candidate in your constituency.

VOTE LIBERAL FOR A BETTER ALBERTA!

FOR SAFETY — GET A
WHEEL ALIGNMENT
AND MAKE SURE

Front wheels that are not running straight can be expensive and dangerous. A bad bump can throw them out of line. Your tires will be dragging sideways — and you'll never know it.

Don't risk this. For safety's sake, drive in today for our Precision Wheel-Alignment Service. Our factory-trained mechanics know your car inside and out and will check your steering, inspect front-end alignment, balance front-wheel assemblies and equalize tire pressures. We use only factory-engineered and inspected CHRYCO parts.

Have Your Wheel Alignment Checked . . . FREE!

NOTES FROM D.A.

HUGH McPHAIL

The importance of cutting hay at the right time cannot be stressed too strongly. Early cut grass or legumes are highest in protein, the muscle-building part of the food. Early cut hays are also higher in vitamins and minerals. A lot of the protein and other values are in the leafy part of the hay, so care should be taken to see that they are not lost in curing and handling.

For best results, Alfalfa should be cut when one-tenth to one-half is in full bloom. Alfaswede and Alsike Clover in first full bloom. Sweet Clover in the bud stage, the grasses soon after heading. With grass legume mixtures the hay should be harvested when the legume is at the proper stage for cutting. These are the stages at which the highest "total digestible nutrients" are obtained.

For pigs, calves and poultry, Alfalfa should be cut in the pre-bloom stage. Often second cut is more easily cured for this purpose.

EMBARGOS LIFTED

The embargoes imposed by other provinces against livestock imports from Saskatchewan and Alberta due to the foot and mouth disease, have been lifted. The next step that producers are looking forward to is lifting of the U.S. embargo against Canadian cattle. No one knows when that will happen.

No new disease cases have been found in Saskatchewan since May 3. The federal health of animals division stocked infected and suspected premises with 350 head of livestock purchased outside the buffer zone, for a 30-day period commencing June 1. The animals have been under close observation by federal veterinarians, but all have remained healthy.

Reduce Tractor
Repair Bills

Regular daily and weekly servicing can do much to reduce tractor maintenance costs. The air cleaner is one part of the tractor that in many cases does not receive the attention it should. C. A. Chesdore, extension agricultural engineer, says that regular daily, or even twice daily, service of the air cleaner should be practised. As soon as the oil in the unit becomes contaminated with dirt it should be changed. The use of a pre-cleaner, operating on the cyclone principle, is a very worthwhile addition where dusty conditions prevail. This removes practically all of the coarse heavy dust, and thus allows the oil to remain clean longer.

At least once a week, all hose connections between the air cleaner and carburetor should be inspected. If a leak is found, it should be repaired or the part replaced. Several times during the season the bearings on the shafts of the choke and throttle should be inspected, and if any play is found, they should be replaced or repaired. These precautions keep dirt from getting into and grinding away the working surfaces in the head of the engine.

Oil filters and the air filter of the crank case breather need regular attention if maximum economy is to be maintained. Follow the directions in the instruction book carefully.

DON'T RACE THAT MOTOR

Drivers are warned against racing the engine during the warm-up period. In addition to using a needless amount of gas, you run the risk of increasing the wear on pistons, piston rings and cylinders when you speed up the engine before the cold oil has a chance to circulate properly.

MANY BALLOTS SPOILED
ON POLLING DAY

Many ballots are needlessly spoiled in every provincial election when voters fail to follow a few simple rules at the polling booths.

"The most common mistake made by voters is using an X instead of numbers when marking their ballots," stated E. A. Andison, Chief Electoral Officer. "The correct way is to mark 1 beside the first choice, 2 beside the second choice, 3 beside the third choice, and so on until all desired candidates have been voted for."

In this system a person may vote for as few as one candidate or as many as there are on the ballot. In rural areas the single transferable vote system is used, whereby there is only one candidate from each political party which wishes to contest the area. Cities use the proportional representation, where ballots may be cast for several members of a party.

In addition to marking an X instead of numbers, there are other mistakes which may spoil a ballot. Only numbers should be marked on the ballot, and even if the voter marks 1st, 2nd, 3rd, instead of 1, 2, 3, the ballot will be spoiled. Another mistake is not marking the correct notation of numbers. Choices must start from 1 and be marked in order. If a voter misses a number or marks all choices with a 1, the ballot will be spoiled.

HAZARDOUS OCCUPATION

Each year the number of lives lost in farm accidents in this province grows larger. The reason, no doubt, is the increased use of power machinery. Farmers should realize that such machinery is dangerous, and particularly the farm tractor. Already this year the farm tractor has claimed at least 12 lives in this province and has caused injuries to many more. The only way such accidents can be avoided is for farmers to take great care at all times.

ENGINES
COMPLAIN, TOO!

And they have cause to if the cooling system is not functioning properly. You can avoid trouble and unnecessary repairs by having our thorough 7-point cooling system check now — for Spring and Summer driving. Remember! Heat kills engines.

Have your cooling system checked TODAY!

What You Should Know About
Rural Electrification
in Alberta

Q. How much would it cost to electrify all the farms in Alberta?

A. It is estimated it would cost possibly 200 million dollars, or more than twice the present total provincial debt.

Q. Who would actually pay for so-called "FREE" electrification of the farms?

A. Everybody would have to pay. The government would have to borrow the hundreds of millions of dollars required; and repay it plus interest by increasing everybody's tax bill — including yours.

Q. Who pays the cost of farm electrification today?

A. Only the farmers who want electricity. They pay for it only when they get it.

Q. Are Alberta farmers getting rural electrification today as cheaply as possible?

A. Yes, they are getting it at cost.

Q. Are Alberta farmers getting rural electrification today as quickly as possible?

A. Yes. Rural electrification is going ahead in Alberta at a rapid pace — as fast as man-power and materials will permit. For instance, the Power Companies in Alberta purchased every pole which was available from all suppliers everywhere last year for farm electrification.

This year, every pound of wire to which Alberta was entitled, by allotment from the Steel Controller for farm electrification, has been purchased.

Under the Rural Electrification Co-Operative Association plan, operating in Alberta today, the farmers are HELPING THEMSELVES to Farm Electrification — by the thousands each year. By helping themselves they are doing it at lower cost than could be done in any other way — and doing it without raising THEIR OWN TAXES or YOURS EITHER.

FALLEN TIMBER NEWS

(Last Week)
 Miss Anita Monecy spent a few days in Bowden visiting Mrs. Cummins.

Mr. George Monecy and Miss Barbara Stair spent a few days visiting at the home of Mr. and Mrs. Joe McGaffin.

Those from the district seen at the Cremona Stampede were Mr. and Mrs. J. H. Cooper, James and Keith Cooper, Mr. and Mrs. Glenn Cooper, Mr. and Mrs. George Admussen and children, Mr. and Mrs. Johnny Howton and children, Mr. and Mrs. Bill Dick and Gene, Mr. and Mrs. Joe McGaffin and family, Mark Sweet, Mr. and Mrs. Bennie Teynor and daughter.

Visitors at the home of Mr. and Mrs. J. H. Cooper this week were Mrs. S. Fields and Mr. P. Fields of Los Angeles, Calif.

Mrs. B. Young of Vancouver and Mrs. Bill McGaffin of Didsbury have been visiting at the home of Mr. and Mrs. Johnny Howton this week. Mrs. Young is Mr. Harry Howton's sister and they had not seen each other for some 20 years.

Mrs. Johnny Howton and Danny and Jeannie spent Stampede week in Calgary.

(This Week)

Mr. and Mrs. J. A. Howton, Danny and Jeannie, and Mrs. Bill McGaffin, Mr. H. Howton and Mrs. B. Young spent a few days in Banff and Calgary.

Miss Jacqueline McGaffin and Miss Doris Fulkert have been spending the past two weeks visiting Mr. and Mrs. Bob Moore and Mrs. Oeche Moore.

A delightful party was held at the home of Mr. and Mrs. Joe McGaffin when Mrs. McGaffin put on a surprise birthday party for her husband. There were 60 guests present.

Mrs. B. Young of Vancouver and Mrs. Lily McGaffin of Didsbury spent a night visiting at the home of Mr. and Mrs. Joe McGaffin.

ZELLA NEWS NOTES

On Friday afternoon, July 25, Mrs. Ronnie Luft and Mrs. Henry Luft were co-hostesses at a miscellaneous shower held for Miss Wilma Owens at the Zella school with around 60 ladies present.

Contests were enjoyed during the afternoon.

The bride-to-be, was seated under an umbrella, gaily decorated with pink and white streamers and the varied and useful gifts were presented to her in a miniature hay rack, also decorated in pink and white.

Assisting the bride in unwrapping her gifts were Miss Joyce Luft and Miss Mildred Luft.

Miss Owens graciously thanked the ladies for their gifts and invited them to visit her in her new home at Rugby.

Mrs. Bill Grange is making good progress after undergoing a major operation in an Edmonton hospital. Kathleen Grange has been a guest at the Tony Spooner home in her mother's absence.

Two Kibbleshaw children of Bergen were guests at the W. Jahnke home while their mother was ill.

Mrs. W. A. Spooner left on Wednesday to holiday in Edmonton with her parents, Mr. and Mrs. De-duck.

Mrs. John Rinehardt and infant son were weekend visitors at the home of Mr. and Mrs. E. W. Waldruff.

Mrs. M. Smith of Black Diamond has been visiting at the home of her son-in-law and daughter, Mr. and Mrs. Mike Knights.

Mr. and Mrs. H. Christensen and family enjoyed a motor trip to Vancouver and points in the U.S.

MOUNTAIN VIEW

Weekend visitors with Mr. and Mrs. Ed McNeil and Chuck were Mr. and Mrs. Bob Stone and son, and Skip Gibson of Edmonton.

Mr. and Mrs. Cliff Trenholm had as their supper guests Tuesday evening, the occasion of Claude Trenholm's birthday. Mr. and Mrs. Arthur Gebers, Gordon and Myron.

A surprise kitchen shower was held at the home of Mrs. Jim Peters Sunday afternoon for the July bride-elect, Miss Mary Rempel, with Mrs. John Wiebe and Mrs. Peters hostesses. About 22 ladies were present. Little Margaret Wiebe and the Peters preceded the lovely bride on wheels laden with gifts. Before the bride opened her gifts she was presented with a corsage made with a chore girl, sprinkling top, measuring spoons and pepper and salt shakers.

The bride-to-be thanked the ladies and a delicious lunch was served by the hostesses, assisted by Mrs. Walter Riemer.

Wednesday afternoon visitors at the Arthur Gebers home were Mr. and Mrs. Ron Nale of Birmingham, England, Mrs. Eric Atkinson and Mrs. George Smith.

Sunday dinner guests with Mr. and Mrs. Stewart Tighe and Billy were Mr. and Mrs. T. J. Hunter and girls of Penhold, and Arlene returned home with her parents after visiting with her aunt and uncle.

Sunday dinner guests with Mr. and Mrs. Charles Kohut and family were Mr. and Mrs. Louis Kohut and Annie, Mr. and Mrs. Bob Siego and Olga and Roman Legerski of Wyoming, Mr. and Mrs. Clifford Murphy and family, Mr. and Mrs. Bob Stone and son and Mr. and Mrs. Ed McNeil and Chuck.

Supper guests with Mr. and Mrs. Arthur Gebers Friday evening were Mr. and Mrs. Orville McMann, Muriel Clarke and Mrs. Read and Mr. Fred Metz.

Mr. and Mrs. Ed Stiles and boys visited Sunday at Drumheller with Mr. and Mrs. Harvey McTee.

Mr. and Mrs. Ron Males of Birmingham, England, Mrs. Gebers and Myron and Miss Ella Jans, visited with Miss Sarah Zook Wednesday evening.

Mr. and Mrs. Bob McCulloch were Sunday evening visitors with Mr. and Mrs. Arthur Gebers.

Mr. Don Stiles was a weekend visitor at his home in the district. He is at present stationed near Peace River.

Mr. and Mrs. Grenville McCall, Anna and Florence, motored to Edmonton on Sunday and visited with Mr. and Mrs. Adrian Boettger and boys. Miss Anna McCall remained to visit with her aunt and uncle.

Mrs. Winnie Bittner and Mrs. Patterson visited awhile Tuesday evening with Mrs. Arthur Gebers before returning to Oils for Farm Women's Week.

Mr. and Mrs. Garnet Tighe and Kenneth, Mrs. Reg Hammer and children and Eileen Richardson motored to Raven Sunday.

Sunday afternoon and supper visitors with Mr. and Mrs. Elmer Rogers were Mr. and Mrs. Wm. Bruce, Mr. and Mrs. Robert Bruce of Scotland, Mr. and Mrs. John Bruce and Billy.

Mr. Russell Hunter and Wayne St. Clair motored home to Ponoka for the weekend. Wayne spent two weeks with his grandparents, Mr. and Mrs. Wm. Bruce.

Mr. and Mrs. John Bruce and family returned recently from a trip to B.C. and while there visited with the former's brother and family, Mr. and Mrs. Bill Bruce, Deborah and Roderick.

Farm Women's Week

(Continued From Page 1)

nutrition specialist from the provincial department of agriculture, reported on our changing food styles and standards and conducted a demonstration in cooking.

Miss Caroline Judson, home designing specialist for the provincial department of agriculture, outlined hints for an attractive step-saving kitchen. Mr. B. C. Jakeman, superintendent of the Bowden Institution for boys, outlined the problems in handling delinquent boys. Mr. Fred Jorgenson, O.S.A., outlined popular and practical leisure-time activities for the rural family. Dr. A. Ralph Schrag, guidance clinic for the provincial department of health, gave a detailed account of mental health in later life.

Mrs. Vera Macdonald, director of women's extension work for the provincial department of agriculture, was in charge of the program. She was assisted by Miss Christine McIntyre, Miss Kathleen O'Callaghan, and Mr. Fred Jorgenson. A committee of the farm women handled details: Mrs. S. V. Townsend of Erskine, chairman; Mrs. Nels Berger, Parkland, and Mrs. Herbert Goetjen of Westcott.

Mrs. Marjory Stiles of Didsbury was toastmistress at the banquet. Mrs. M. Mundle of Kneehill Valley proposed a toast to the provincial department of agriculture and Mr. J. E. Birsall, principal of O.S.A. regional B.C. Elizabeth Pedersen of Standard proposed the toast to the Olds School of Agriculture and Mr. Fred Jorgenson responded.

LITTLE ITEMS OF LOCAL INTEREST

Mrs. Sam Devine and daughter Bonnie returned last week from a holiday spent at Saskatchewan points.

Evening services in Knox United Church will be resumed Sunday, Aug. 3. Morning service will be held at Westcott.

The Pioneer received a subscription renewal this week from Mrs. Otto W. Lemke of Assiniboia Valley, who reports crops wonderful in that area and the weather perfect.

Mr. and Mrs. Lloyd Clipperley and two children and Mr. and Mrs. Herb Zeigler and Marlene and Roland, visited recently with Mr. and Mrs. James Rushmer at Rock Creek, B.C.

Mr. Dorris Wilson and family have returned from a visit to Mount City, Missouri and other U.S. points. Ivan Wilson of Olds accompanied them, this being his first visit to his birthplace since leaving there more than 46 years ago.

Mrs. C. Howlett of Calgary spent Sunday in the town and district visiting with her sisters, Mrs. D. Landeen and Mrs. J. Currie.

Mrs. Marion McIntyre and son Duke returned to their home in Vancouver via T.C.A. after spending the past 10 days visiting at the home of her mother, Mrs. Joe McDonald, and with her sisters, Mrs. Lyle Munro of Carstairs and Mrs. Alice Black of Olds.

Mr. Harry Gabel returned Tuesday from Houston, B.C., after delivering a Palomino stallion to Mr. Frank Barnett, who had purchased the animal recently from Mr. Irwin Klein.

Mr. and Mrs. K. G. Shannon and family visited here last week, and Mrs. J. R. Cunningham accompanied them on their return to Delta for a short visit.

South West Didsbury

Little Nelda Good and sister Mick Weber were on the sick list last week with the flu.

Mr. Frank Tittsworth of Kansas is visiting his sister, Mrs. J. L. Taggle and brother, Mr. John Tittsworth and families.

Miss Marian Wilschusen of Westcott is spending the week with Marian, Helen and Katherine Folkman.

Mr. and Mrs. E. A. Bartz and Mr. George Meyer were Calgary visitors Tuesday.

Mr. Alex McNair of Edmonton, accompanied by his parents, Mr. and Mrs. Tom McNair, motored to Calgary Saturday to attend the Highland Games and report a very enjoyable time.

Sunday visitors with Mr. and Mrs. C. Ekstrand were Mr. and Mrs. Jim McMurray and family, Mr. and Mrs. J. Post and family of Carstairs.

Mr. and Mrs. Carl Meyer and family were Bowden visitors Sunday evening with Mr. and Mrs. J. R. Arnold.

Mr. and Mrs. R. McKenzie of Headley, B.C., are visiting relatives in the district. Mrs. McKenzie is the mother of Mrs. Ekstrand and Mrs. Ed Klink.
